## Data source

Jukka Palko: autofs to biopankki directory on gradient.

Automated new data file retrieval:

In ktp@gradient crontab:

```
# Automatic backup of the 'biopankki' folder
0 6 * * * rsync -e ssh -avut /nas/biopankki/labdw_*.txt
hive@ktphadoop.vssh.net:/opt/share/raw/lab_autosync/
