Effector data extraction

Document author: anna.hammais@tyks.fi

1. Start Effector on Tarja Laitinen's computer.
2. Select Etsi –> Lainaus
3. Specify the type of equipment in the Luokitus field.
4. Specify Apuvälineen tila = Kaikki
5. Search
6. Copy spreadsheet with Control+A Control+C
7. Wait until moving Excel-like frame appears around selection.
8. Paste into Excel or text file.
